NOVUS PLASTIC CLEANER & SCRATCH REMOVER

To keep plastics & acrylics scratch free and looking nice we recommend that you use Novus cleaners and polish.

Many cleaners, especially those using ammonia and other harsh cleaners will dry out plastics and leave a hazy look after repeated cleaning.

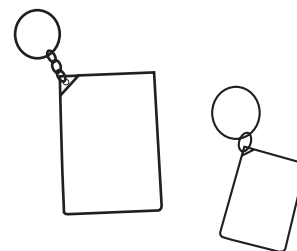

Novus brand products are specially made for use with most plastics and acrylics.

Keep your plastic items looking good for years to come.

Novus 1 - Use for Everyday Cleaning of Plastics & Acrylics
8oz Novus 2 - Removes Fine Scratches & Polishes Acrylics
8oz Novus 3 - Removes Deep Scratches - Use Novus 2 after Novus 3

Please contact us to verify if displays will work with any non-standard specialty wall systems. Many items can be adapted on request.

Because acrylic items are hand made there may be some variation in size each time the item is made.

The sizes shown in the catalog may vary between each individual piece.

Please verify that the item will fit your needs prior to purchase

Acrylic Cleaner & Polish

To keep plastics & acrylics scratch free and looking nice we recommend that you use Novus cleaners and polish.

Many cleaners, especially those using amonia and other harsh chemicals will dry out plastics and leave a hazy look after repeated cleaning.

Novus brand products are specially made for use with most plastics and acrylics. Keep your plastic items looking good for years to come.

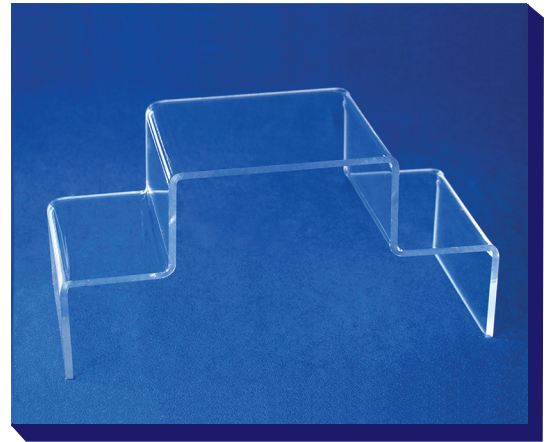

DESCRIPTION

Novus 1 - Use for Everyday Cleaning of Plastics & Acrylics
